GRAND KNIGHTS MESSAGE

It is a pleasure once again to be your Grand Knight. The last time I had the privilege was the 1993-1994 Columbian Year, when I was the 20th Grand Knight. Many things have changed in the council and the world in the last 14 years. Most people did not have computers and I know very few of us had a cell phone. How things have changed.

I look forward to working with the council’s new slate of officers, and seeing the same brothers who have been the backbone of this council since it’s inception. I may be a little rusty in my duties at first, but I am sure that after a couple of weeks it will all come back to me. I am grateful to all the Past Grand Knights who have offered their assistance for the upcoming year. Being 14 years older will make it a challenge, but I was never one to run away from hard work. I am semi-retired

which will give me a little more time to devote to Knights business.

One thing that I am very pleased with is the fact that for the first time in five years we have a slate of officers following me that are eager, willing and able, and will be the stalwart of the council for many years to come. We have been trying for some time now to get people to step up to the plate, and finally the time has come. Neil Franzese is the exact person we were looking for to serve as one of the four chair officers, and hopefully will be a terrific Grand Knight a year from now. Richard Brazenor will be our Chancellor this year, and you could not ask for a more involved and dedicated brother as he has been. Since joining our council about two or three years ago, Rick has virtually volunteered for everything, and we are lucky to have him. Finally, our Warden for this year will be William (Willy)

Hinners, who has recently joined our council. Willy has been attending all of our meetings and also is very active at all our events. I am thankful to have five Guards this year, one old timer, Joe Kiefer and four new brothers. They will, I am sure, make the Wardens job a lot easier.

In closing, I would just like to say that we must keep in mind that the first and most important basic principle of our order is **Charity**. Let’s keep going with all our programs to raise money for all the charitable organizations we donate to. I have a special charity that I would like the council to get involved in for personal reasons and will be discussing it with you during upcoming meetings.

Please see in this issue for up and coming events, especially **The Merrick Street Fair, Sept. 8th-9th**, and the **Council Picnic, Sept. 16th**.

Rich Marino, PGK

CHAPLAIN'S MESSAGE

Welcome back, my dear Brothers,

Hopefully everyone returns to the normal routine after a summer of rest and relaxation to pick up the pieces of every day life.

Our Holy Father has declared this year the Jubilee Year of Saint Paul on the 200th anniversary of his death. It is fitting to recall this observance as we begin the year because Saint Paul is a prime example of what he said to his contemporaries: He was a man urged on by the Love of Christ.

If nothing else, we ought to embrace this year with an exuberance that comes from being urged on by the love of Christ ourselves. All of us brother knights doing that should insure this will be a year of grace and blessing for ourselves as well as for our Council. Welcome back !

Fr. G
